Egypt is home to **the Giza Pyramids & Sphinx**, the Nile River, and ancient temples, golden deserts, and Red Sea & Mediterranean Sea beaches.

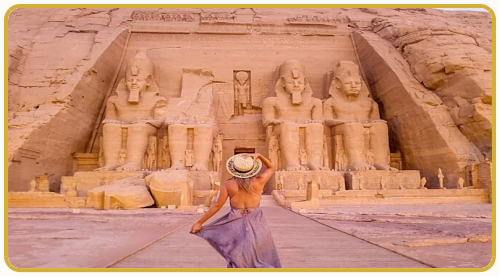

Explore Egypt's most famous landmarks and learn more about Egyptian culture and civilization. **Egypt Travel Packages** are the best choice for travellers who are looking for a full, well-organized **Egypt tour**. Visit the Giza Pyramids & Sphinx. Researchers have discovered that the Giza Pyramids owe their great stability to several factors: their enormous base, low center of gravity, symmetrical design, limestone foundation, and refined internal structure.

Sail in class on a top-tier deluxe **Nile cruise** as you journey through **Luxor and Aswan**, taking in the breathtaking natural scenery and exploring majestic ancient Egyptian temples along the way.

Abu Simbel Temples are among the most unique monuments of ancient Egyptian civilization. Carved directly into a sandstone mountain during the reign of Pharaoh Ramses II in the 13th century BC.

This **Egypt Classic Package** and **Egypt Nile Cruise Packages** offer a complete experience of discovering Cairo, sailing along **the Nile River**, and exploring the ancient temples of Egyptian civilization.
