ITINERARY

DAY 1

Day 1: Day Tour to Giza, Saqqara and Dahshur Pyramids

Our representative will meet you at **Cairo International Airport** and transfer you to your hotel in Cairo. Upon arrival, you will be assisted with check-in and introduced to your private English-speaking Egyptologist guide, who will accompany you throughout the day's sightseeing.

Start your **2 Day Pyramids Tour from Cairo** with a visit to the legendary Giza Pyramids, and also the Great Sphinx. Take a moment to admire the Great Pyramid of Khufu, plus the pyramids of Khafre and Menkaure, as you go through the history and the odd mysteries tied to these remarkable ancient monuments. There is also an option to have a memorable camel ride around the Giza Plateau, which some people really enjoy, even if it gets a bit dusty at times.

Then move on to Dahshur, this is where you can find some of Egypt’s most important early pyramids. Explore the famous Bent Pyramid, and understand how its distinctive shape shows the gradual, the real development of pyramid building during the reign of King Snefru.

Next head to Saqqara to see the Step Pyramid of Djoser, the world's earliest known large-scale stone pyramid and one of the most significant monuments of Egypt Old Kingdom.

After completing your **Giza Pyramids Tour** and exploring the pyramids of Dahshur and Saqqara return to your hotel in Cairo to relax and enjoy the rest of the evening.

DAY 2

Day 2: A Visit to Lahun and Medium Pyramids

After breakfast at your hotel, continue your **2 Day Pyramids Tour from Cairo** with a journey to explore two fascinating pyramids away from the traditional Giza sites.

Begin with a visit to the Pyramid of Lahun, built during the Middle Kingdom for Pharaoh Senusret II. Unlike the monumental pyramids of Giza, this pyramid was made with a mudbrick core, sort of like a stacked heart over a natural limestone foundation, it shows how the construction methods differed in that period.

Then continue on to the Meidum Pyramid, which is traditionally linked with Pharaoh Snefru. The monument is especially known for its odd look, with the surviving remains of its original outer casing,and that's what gives the tower-like shape you can see today. It marks an important phase, in the architectural evolution that later moved toward the smooth-sided pyramids of ancient Egypt.

After exploring the Lahun and Meidum Pyramids, enjoy lunch before beginning your journey back to Cairo. Your private driver will transfer you to Cairo International Airport for your departure marking the end of your memorable **Pyramids Tour in Egypt**.
