DESCRIPTION

A day trip from Cairo to the magnificent Saqqara and Memphis

On this Memphis and Saqqara tour with an expert guide, you will gain a deeper understanding of Egypt's history and explore the ruins located south of Cairo.

The tour lasts six hours and includes visiting the remains of Egypt’s first city.

Your guide will explain the archaeological features of key attractions, such as the Step Pyramid of Zoser at Saqqara.

Going on this special tour is one of the most interesting activities to do in Cairo.

Choosing a private tour allows you to enjoy the freedom and flexibility of the experience.

The tour covering Memphis is an excellent historical journey for visitors, helping them better appreciate Egypt's cultural heritage.

During the tour, local guides add real value by providing deeper insight into the culture and history of the places you visit.

You will gain a better understanding of Memphis with the help of knowledgeable guides who will help you explore various aspects of Egyptian history.
