DESCRIPTION

Our Tanis and Suez Canal tour from Cairo, which is part of our Cairo Day Tours, offers an extraordinary experience. Take a break from the usual and visit historic sites while gaining a deeper understanding of Egyptian history.

Discover the legendary lost city of Tanis, believed to be the place where baby Moses was found in a basket along the river.

As you explore the ruins, your Cairo Top Tours guide will provide insights into daily life in the ancient city of Bubastis.

Our special tours of Cairo are designed to offer a fresh perspective and allow you to explore lesser-known locations while learning more about Egypt's rich history.

With the guidance of our professional guides, you will enjoy a unique and informative experience that goes beyond standard tourist attractions.

This special day trip to Tanis, Bubastis, and the Suez Canal in the Al-Ismailia Governorate offers an opportunity to discover Egypt's ancient past and visit significant historical sites that reflect the country's cultural heritage.
